Other _____

4. Start date? _____ If practicum/internship please indicate which

School / Program _____ Desired Completion Date _____

5. Are you planning on relying on private practice as your sole source of income or are you looking for part time work to be an adjunct to your current employment? Please provide more information on what you are looking for in terms of hours per week you would like to work and which days.

6. Client care takes many different forms, depending on your personality and how you approach therapy. Please provide at least three examples of how you currently care for, or plan to care for, your clients above and beyond the appointment itself. (i.e. returning client phone calls on the same day or within a 24 hour period)

7. Crossroads Collective is committed to providing a holistic approach to our work with clients. This means that providing a team environment is a key component to what we provide for you as an associate. Working from a team approach is key to how we work together and for our clients. What is something that you are looking for in order to feel a part of a team while also being independent?

8. While they are independent, our associates at Crossroads Collective are representatives of our brand and values. Therefore, it is important that all of our associates practice a non-judgemental approach to each person that walks through our doors and practice acceptance and tolerance of all people, regardless of sex, race, religion or sexual orientation. This extends beyond the therapy office into your personal life and social media presence. Please choose one of the following options.
