Innerchild Healing/Childhood Regression - \$264 +GST

From the ages of 0-9 we receive the most amount of modelling and programming. Not all of it serves us and often the experiences we had as a child end up shaping the course of our life. That doesn't mean you are stuck with your past, with Childhood regression we are able to go as far back as the womb to release negative experiences, emotions, trauma, imprints, and programs.

Using a process called Age Identity ,Timeline, RTT You can go back and rediscover the parts of your lost child and reconcile them, releasing limiting beliefs and integrating the parts of you which were forgotten.

Somatic/Bioenergy Healing Session - \$204 + GST

Natural bioenergetics is the study of energy/ frequency and how it affects the biofield of the body.

Environment, sound, energy, and emotions all have a physical effect on our body. Thoughts, feelings memories, events and trauma can all be stored in the body, It is important to allow time for the mind and the body to process these things. Using muscle testing, Tuning forks, sounds, language, energy centres and acupuncture points, can assist in the release of a lot of these unwanted storages in the mind and body. Based on the TCM of balancing the meridians and the chakras you can get back in your body and feel reconnected back to your inner guidance system, back to a calm nervous system.

Lifestyle and Wellness Coaching - \$150 + GST
